Welcoming You to a Wonderful Spring and Summer!

Principles of City of Light Spiritualist Church, Inc.

We are a Spiritualist church and we use these principles as guidelines:

1. We all have a God of our own understanding.
2. We believe that God is love.
3. We believe that God is all there is.
4. We affirm the Divine right of individuals to seek the truth within their own hearts.
5. We declare ourselves to be free-thinkers acknowledging the unfolding nature of the truth for ourselves and those around us.
6. We affirm that life is eternal.
7. We believe that spiritual progression is eternal and infinite, therefore the gateway to reformation is never closed to any soul here or hereafter.
8. We believe that communication between all planes of existence is a reality.
9. We affirm that the innate gifts of healing and mediumship are expressions of God's love.
10. We affirm that the ultimate expression of loving God is "to be receptive to God's unconditional Love and to share that love with everyone, including ourselves, and everything, here in this life now."
11. We believe in personal responsibility and that individuals create their own reality of happiness or unhappiness according to Natural Law.

Fairies and Gnomes
Presenter: Tracy Richard

Friday May 29, 2009
UUS Building 5-8pm

We will have fun learning about the fairies and gnomes and how to invite them into our lives. We will communicate with them in a guided meditation where you can ask them questions and receive your personal answers. Find out how fairies and gnomes can help relieve stress from your life. This is sure to be a lot of fun! You will further deepen your connection to the fairy and gnome realm by painting your very own fairy or gnome ceramic bisque garden ornament. Painting is also a stress reliever and your ornament will be a tangible reminder of the ever-present assistance available from the gnomes and fairies. Open to everyone even if you have never painted before, the fairies and gnomes will help us!

\$25.00 total (\$15. class + \$10. material)
